

PooPower

PooPaper

Welcome to PooPower! This white paper outlines our bold vision for turning humor into a transformative force within the decentralized finance (DeFi) space. Inspired by Kevin Smith's Dogma universe and leveraging the legendary Golgothan, we are redefining meme culture in crypto and empowering a community-driven revolution.

PooVision

PooPower is more than a meme token—it's a movement. By blending humor, blockchain technology, and an engaged community, we aim to create a unique ecosystem that fuels innovation and growth while celebrating the lighter side of life. Our goal is to establish a sustainable, inclusive platform where everyone has the opportunity to participate and thrive.

Core Values:

- **Poommunity First:** At PooPower, the community drives every decision.
- **Innovation through Humor:** Merging entertainment with cutting-edge technology.
- **Transparency & Security:** Building trust and ensuring fairness in every process.

Kevin Smith Inspiration

PooPower draws creative inspiration from Kevin Smith's iconic movie Dogma, with Golgothan serving as our humorous and iconic mascot. The announcement of Dogma 2 further amplified our excitement and reaffirmed our vision of merging humor with the groundbreaking innovation of decentralized finance. This connection embodies the spirit of fun, creativity, and community at the heart of PooPower.

Pookonomics

The PooPower tokenomics are designed to ensure fairness, transparency, and long-term value creation:

- **Liquidity Pool:** 97% - Locked for stability and trust.
- **CEX Lock:** 1% - Strategic allocation for exchange platforms.
- **Development Fund:** 0.7% - Supporting platform enhancements and technical growth.
- **Poommunity Events:** 0.6% - Rewards and engagement initiatives for our members.
- **Burn Events:** 0.4% - Regular token burns to create scarcity and value.
- **Marketing & Team:** 0.3% - For spreading awareness and supporting contributors.
